Decisions

- Ask the Right Questions

Is Pursuing College Softball the Right Decision for YOU?

YES

- I currently train for softball outside of scheduled practice time consistently.
- I want to be a part of a team where softball is my top priority & consumes most of my day.
- I am able to catch up on my academics even after I've missed class.
- I am emotionally resilient & want to be a part of the athlete community.

NO

- I don't like being corrected by my coach.
- I find it challenging to keep up with my schoolwork and extracurricular activities.
- I want to study abroad during a spring semester
- I plan on having a full-time job during the school year.

Picking the Right School for YOU

Considerations:

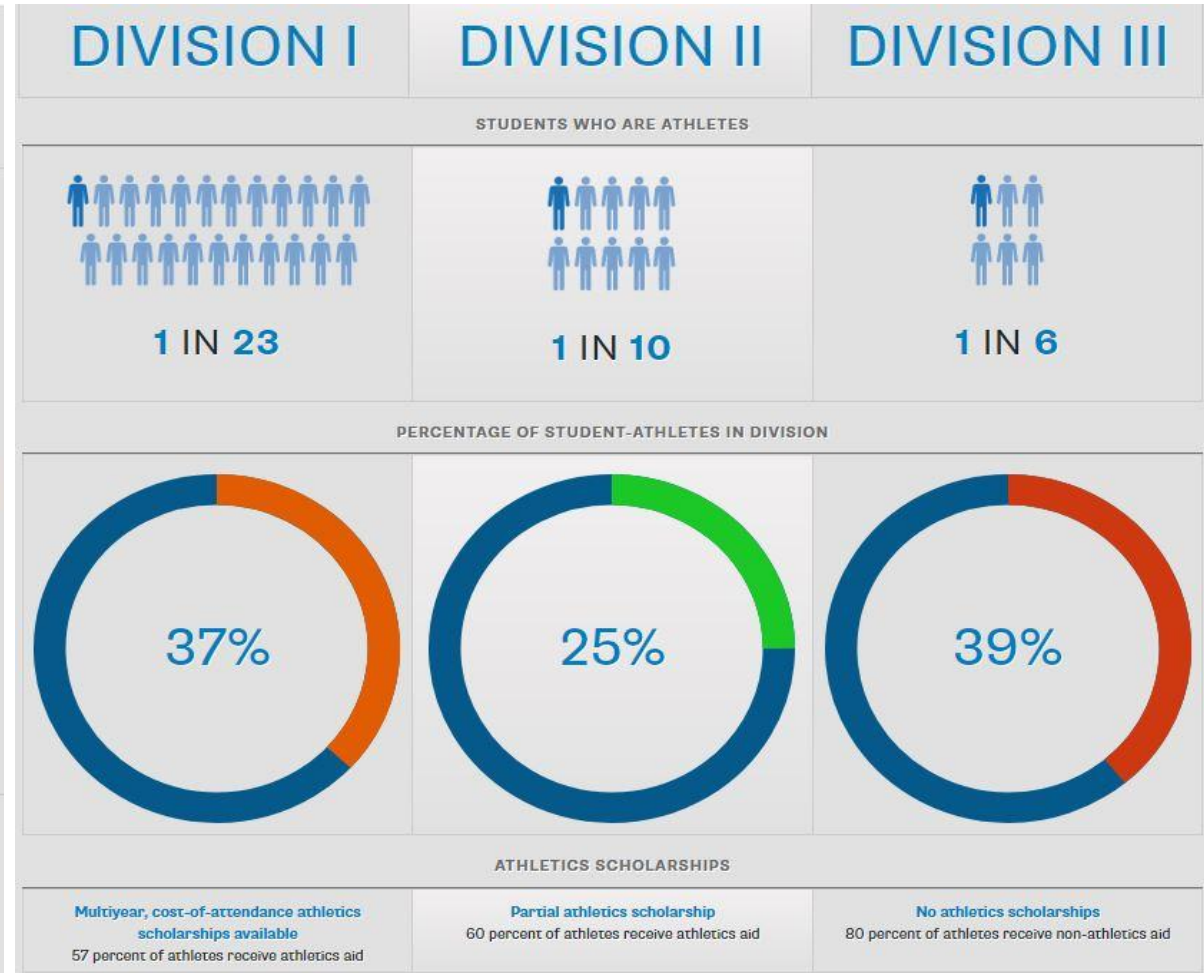

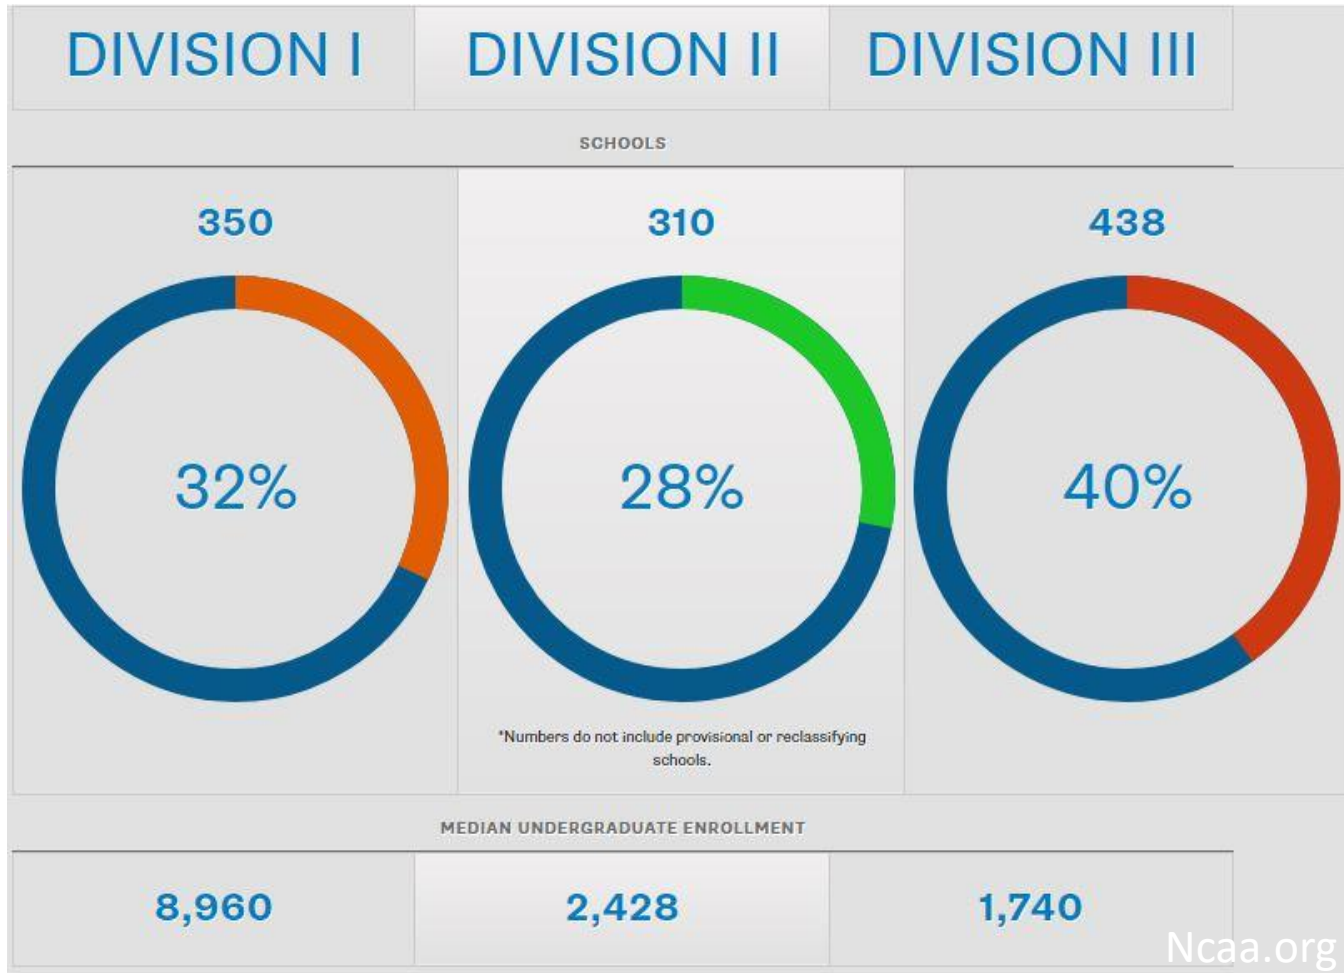

- Location/Weather
- Degrees offered
- Campus Life
- Cost
- Private or Public
- Class Size
- Division
- Playing Time
- Recruits/Current Players same position as you
- Coaches (but not entirely as coaches move around)

“Go where you’re wanted. Go where you’ll develop as a person & player. Go where IF Softball ended abruptly, you would still be happy. Go where you’ll receive a great education. This is your future...not some impulsive decision... Be informed.”

- Dan Cevette

Junior colleges are two-year universities that give student-athletes an opportunity to develop their athletic and academic skills in a post high school program. With more than 500 junior college softball programs, the opportunities are almost endless. And if you think these teams aren't tough—think again! Many junior college softball teams have future D1 and D2 athletes on their roster who are there to hone their skills before they commit to a four-year school. For athletes who may not have the grades, finances or build yet for a four-year school, a junior college softball program can be a great way to gain experience competing against collegiate athletes while developing those essential skills.

Are there junior college softball scholarships?

Yes, junior colleges can—and do—offer scholarships for qualified athletes! Depending on the school and how funded the program is, qualified athletes might receive a partial or full-ride scholarship to attend the school.

YES

Are there junior college softball championships?

Yes, each of the three junior college division levels hosts its own tournament. The top teams can compete for the championship in their respective division. [To learn more, visit the junior college softball website.](#)

Apply Starting October 1 of Senior Year

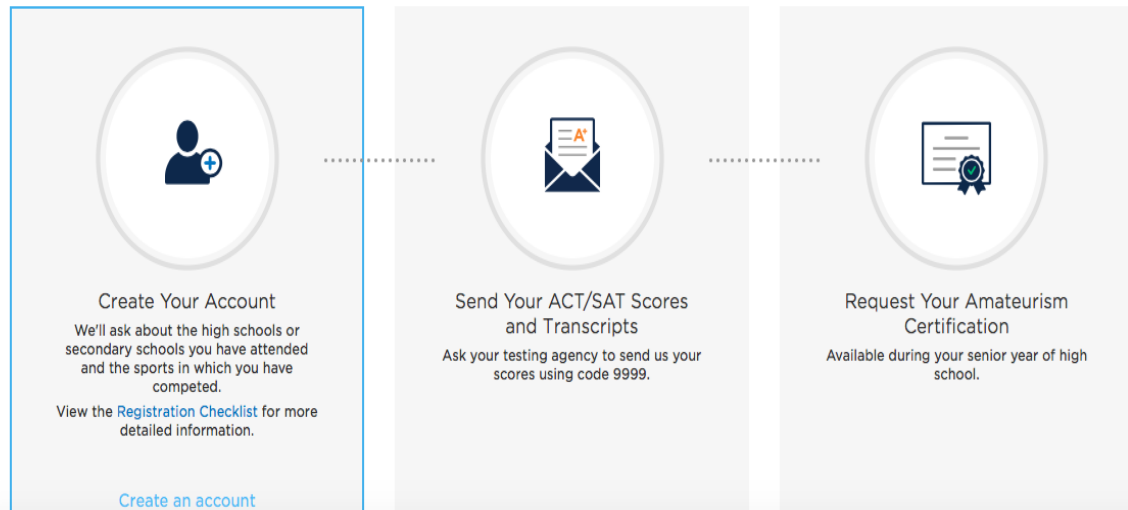

NCAA Eligibility Center

You are taking the first steps to becoming an NCAA student-athlete.

Before you can be certified to compete at a Division I or II school, we need to know more about your academic history and sports experiences. We'll also need your standardized test scores, high school transcripts and your request for final amateurism certification.

- 1. Create an account & pay the registration fee for D1 & D2 schools (\$90).
 - If you aspire to play in a D3 program, only sign up for D3 because there is no registration fee.
 - It's important to know that there are fee waivers available for students on free/reduced lunch with approval from your high school guidance counselor.
- 2. Send The NCAA your ACT/SAT Score each time you take the exams by writing the code 9999 on your exam.
- 3. Request your amateurism certification during your senior year of high school from your high school guidance counselor.

Making a List

- Find schools that fit your criteria
- List of Schools
 - 5+ reach schools
 - 5+ realistic schools
 - 5+ safety schools
- Always adjust list

The screenshot shows a web application for finding schools. At the top right, there are navigation icons for Activity, Club, Messages, Video, and Schools. Below this is a search bar with the text "Search by school name" and a magnifying glass icon. To the right of the search bar are several dropdown menus: Location, Academics, Majors, Athletics, and Roster Needs. Below the search bar, it says "1782 Schools". A list of schools is displayed, each with a school logo, name, location, and conference affiliation, followed by a "School Overview" link and a right-pointing arrow. The schools listed are:

- Abilene Christian University • Abilene, TX • NCAA DI
- Abraham Baldwin Agricultural College • Tifton, GA • NAIA
- Academy of Art University • San Francisco, CA • NCAA DII
- Adams State University • Alamosa, CO • NCAA DII
- Adelphi University • Garden City, NY • NCAA DII
- Adrian College • Adrian, MI • NCAA DIII

To the right of the list is a map of the United States with several colored location markers (red, yellow, blue) indicating school locations. The map includes labels for Canada, Mexico, and various states and provinces. At the bottom right of the map, it says "Google" and "Keyboard shortcuts | Map data ©2021".

Attention Grabber

Ahoy there, Coach Brousek!

My name is Remi Rudquist and I am a 2026 graduate. I attend Bloomington Jefferson High School and have a 4.0 GPA. During the club season, I play with the Minnesota A's 15U National team as a shortstop, catcher, and utility. However, I consider myself to be a player who can play a multitude of positions and exhibits strong versatility. This past high school season, I was the starting varsity shortstop for the entire season and was a major contributor to the Jefferson Jaguars offense and defense.

Researched

As my junior year draws closer, I have begun to research my next steps in both education and softball, and the University of MN Duluth has really caught my eye! Playing softball at an experienced and competitive level is very important to me, and I believe that your team meets both of those needs and more. Currently, I am looking to pursue a career and future in environmental studies and creative writing, both of which UMD offers. Family also has an enormous role in my life. Finding a home in a team is something that I really look for and your team culture really stands out to me. Your location is also very close to my home and it feels like a place I can find make myself comfortable. For these reasons, I am taking this opportunity to reach out to you and introduce myself to the Bulldogs.

This summer's club season is very busy, but I hope I get the chance to play in front of you sometime soon! My team's full schedule is listed down below.

I would also like to add that I am attending the Summer Showcase hosted by Standout Scout this June 20th at Aronson Park. I hope to see you there!

GO BULLDOGS!

Frequent Updates

Hello Coach Iliopoulos and Coach Miller!

*It has been a **couple of weeks** since I have reached out. Throughout my time off, I have been lifting, fielding, and focussing on little details within my swing. I have also taken some time off to reset both physically and mentally, which I believe is important. I have been able to take the time to see some family and celebrate birthdays within the family!*

I hope you both have been doing well!

Schedule Updates

I wanted to reach out to send an update about our fall schedule. Below, I have linked our entire fall schedule. I have also linked our upcoming pool play schedule for this weekend in Lakeville, MN in the S&C Fall Showcase.

Camp Research

I am also excited to share that I do not have a tournament the weekend of your fall prospect camp, so I will be able to attend! I am registered, and I am looking forward to connecting with both of you there.

As always, to stay caught up with my team and I in the following weeks, you can follow on my Twitter/X or our GameChanger: Minnesota A's National 16u.

Thank you so much for the invite to the camp, and I look forward to connecting with you both soon!

Have a great start to your fall season.

Thank you!

Personal Statement

My name is Allie Sheehan (2026). I attend Kennedy HS (4.18 GPA). I play for The MN A's 16U National. My positions are SS/3B/Utility. I bat leadoff and have played varsity since 7th grade. I am a consistent base hitter and get on base any way I can (.500 OBP). I am an aggressive smart base runner (100 SB%). On defensive I go all out for every ball knowing each one is an opportunity for my team. My strengths go further than just physical aspects, I am a team player who sacrifices personal accomplishments for my teams success. I lead my teammates through ups and downs with my positive and coachable attitude. I am a 3 sport athlete (captain). I'm looking for a college that suits me personally. I have a strong passion for the game and wish to continue in college.
